NURSE PRACTITIONER POSITIONS AVAILABLE

ACUTE CARE NURSE PRACTITIONERS
(with rotating weekends)

- Ortho NP – Days
- PACU NP – Days
- Pain Management NP – Full Time Nights
- Pre-Admission Testing NP – Part Time Days
- Spine NP – Days

This position is ideal for an acute care NP candidate who has experience in the specialty. This position calls for a candidate who has great interest and commitment to fully engage our health care teams in the patients’ plan of care. The role of the NP includes ongoing development and revision of standards to support best practice. Requirements include a Master’s Degree in Advanced Practice Nursing, NY State Nurse Practitioner license, Acute Care NP Certification and recent 5 years of acute care RN experience.

MANAGEMENT POSITIONS AVAILABLE

ASSISTANT NURSE MANAGERS

- Neuro Rehabilitation
- Spine Med/Surg

(Regular, Full Time, 37.5 hrs - 12:00AM - 8:00AM, with rotating weekends)

We have an exciting opportunity to join our team as an Assistant Nurse Manager. To qualify you must have a Bachelor’s degree in Nursing, a current New York State RN license, current BLS certification with the American Heart Association and at least 2-3 years of nursing experience in Acute Care or Acute Rehab, demonstrating leadership skills.

The successful candidate will be responsible for direct patient care: clinical prioritization and coordination for patient care activities; participation in development/ evaluation of staff; involvement in the development of unit/ service goals and participation in unit/service quality and performance improvement activities.
Clinical Coordinator – Operating Room  
(Regular, Full Time, 37.5 hrs - 6:00AM - 2:00PM, with rotating weekends)

We have an exciting opportunity to join our team as a Clinical Coordinator for the Operating Room. To qualify you must have a Bachelor's degree in Nursing, a current New York State RN license, current BLS certification with the American Heart Association and at least 2-3 years of Operating Room Nursing experience. The successful candidate will be responsible for clinical prioritization and coordination for patient care activities; participation in development/evaluation of staff; direct patient care; involvement in the development of unit/service goals and participation in unit/service quality and performance improvement activities.

Clinical Care Coordinator  
(Regular, Full Time, 37.5 hrs - 8:00AM to 4:00PM with rotating weekends)

We have an exciting opportunity to join our team as a Clinical Care Coordinator. To qualify you must have Bachelor's Degree in Nursing, a Master's of Science in Nursing or relevant health related field preferred. Current NYS Registered Professional Nurse Licenses. Certification as a Case Manager or Nursing Administration is a plus; minimum of 3-5 years clinical experience, acute care experience required. Two or more years in utilization management, discharge planning/case management is preferred. PRI Certification preferred.

The successful candidate will provide clinical leadership and coordination for patient care. Manage patient care transition process: coordinating, facilitating and assisting patients throughout the episodes of care. Serve as clinical resource with expertise in musculoskeletal patient care management and serves as liaison regarding services for this patient population.
